**2006 Campus Visit Schedule**

The Committee on Equal Opportunities is charged with monitoring institutional progress toward implementing the Kentucky Plan for Equal Opportunities and the Partnership Agreement with the U.S. Department of Education Office for Civil Rights. The campus visit enables the CEO to observe and evaluate institutional activities through data analysis and discussions with administrators, executives, students, faculty, campus environment team, and others in the campus community to learn firsthand about the success of equal opportunity plan implementation.

Members of the CEO agreed to establish meeting dates and locations for the 2006 campus visits. The CEO has not conducted a campus visit at Morehead State University, Kentucky State University, and the University of Kentucky.

Typically the committee conducts visits in conjunction with its regularly scheduled meetings. Because there is a need to conduct focus group sessions with students and faculty, campus visits can be conducted in conjunction with only two of the remaining meetings in 2006 - April 17 and October 16. The committee may wish to consider conducting visits at other times during the academic year.
